DT STUDIO

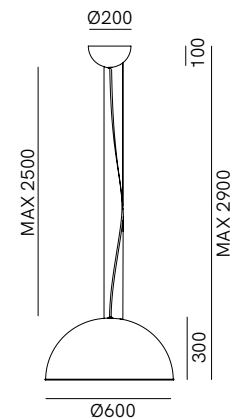

Ispirate alla grande volta curva del cielo, le lampade a sospensione Galileo hanno un tratto grafico deciso che ricalca una perfetta mezza sfera. Sospensioni e applique, di dimensioni e finiture interne diverse, realizzate in ferro.

Inspired by the great curved vault of the sky, Galileo pendant lamps have a powerful graphic line that resembles a perfect half-sphere. These Italian pendant lamps and wall lamps, in different sizes and interior finishes, are made of iron.
